

Global Water Operators' Partnerships Alliance/UN-Habitat (GWOPA) : Call for proposal

 The EU-WOP 2 Call for Proposals is now open!

Water and sanitation operators across eligible countries are invited to join a growing movement of peer-to-peer support for stronger public services.

Building on the success of its first phase, the second phase of the EU Water Operators' Partnerships (EU-WOP) Programme will fund and support:

- ◆ 15–20 new Water Operators' Partnerships
- ◆ The expansion of successful Phase 1 partnerships
- ◆ Capacity development anchored in digitalization, investment linkages and human rights

 Running until 2030, EU-WOP 2 empowers public utilities to work together to improve performance, strengthen resilience and advance the SDGs.

 The portal is now open for registration and information. Submissions of applications will be possible shortly: <https://lnkd.in/e3DAVUsf>
