

IC Award 2027: Last Call for Applications – Don't miss it out

🚧 Are you a startup or SME developing bold, innovative solutions to the world's most pressing water challenges?

Apply for the IC Award 2027 and be the change while advancing SDC 6: Clean Water and Sanitation. (*Symbol Wasser*)

The Swiss International Cooperation Award, in short IC Award, recognizes outstanding Swiss startups and SMEs that are making a difference through innovative approaches to international cooperation and sustainable development.

This year, we're putting water in the spotlight, from solutions that improve access to water and sanitation, to innovative approaches for sustainable water management, technology, resilience/security and more.

📅 If your solution can help shape a more water-secure and sustainable future, we want to hear from you! By 30 November at the latest.

Apply now 🖱️: <https://hazu.swiss/deza/ic-award>

💡 Let's turn fresh ideas into solutions, build partnerships and create a water-secure future together.
